

To the Parents of Home School Students
who participate in extra-curricular activities:

All new home school students need to set up an appointment to be interviewed by the school's Administrator.

A school newsletter is published once a week, usually on Friday. This newsletter may contain a lot of information that does not interest you. However, it is vital that you read the newsletter each week as there could be important information for you to know.

The newsletter is posted on our web site (www.bccsk12.com) by noon on Friday unless technical difficulties occur. It is a good idea to look at the newsletter as soon as you can each Friday. If you do not have access to the Internet, the newsletter may be retrieved by one of the following ways:

1. A copy is available at the school office every Friday afternoon or any time during the next week.
2. Go to the public library and download a copy from their computer.
3. For \$25.00 postage and handling fee, we will mail the newsletter to your home weekly.

If you have an email address that you check frequently, provide that address to the school so that we may contact you easily.

When home school students enroll in band, choir, or any sport, keep in mind that all requirements expected of regularly enrolled students apply to the home school student as well. When appointments are made for off-campus activities, such as a concert at a church, or an away game, the home school student should expect to meet deadlines and time requirements.

Team/group pictures of each activity and sport are important to us. They are published in the yearbook as an historical record and home school students are again expected to meet deadlines and time requirements. These photos are also available for sale for those who are interested. Information will be given to you as it becomes available.

Thank you.

Barry County Christian School 2009/2010 HOME SCHOOL ENROLLMENT FORM

- Each family must turn in to the office all paper work (Enrollment Form, Parent/Guardian Agreement, Student Agreement, Athletic Permission Form, Annual Field Trip Release/Emergency Medical Form, along with fees by the start (practices) of each event or sport.
