

Dear BCCS Families,

It has been a long-standing Thanksgiving tradition for school families to fill baskets with gifts, usually kitchen supplies or nonperishable food items, for our teachers and staff. This is a nice way to show how much we appreciate their dedicated service to our children.

We ask each family to donate 15 identical items to fill these baskets. For example, you could send 15 cans of vegetables, or 15 bags of flour or 15 rolls of aluminum foil, you get the idea. Anything nonperishable works!

The Parent's Club will put the baskets together on Tuesday, November 22nd to give to our teachers and staff that same day. Donated items can be dropped off in the storage room where the milk cooler is located (the last room on the right-hand or north side of the secondary wing). Please mark them as Thanksgiving basket items.

This is an undercover operation so "mum's the word"! Most of the teachers know they will be getting gift baskets but what is in the baskets should be a surprise. Please have the items to the school by the morning of Tuesday, November 22nd. Hopefully we have given you enough notice so that you can add these items to your shopping list!

Thank you,

The BCCS Parent's club

" ... Serve one another in love."
Galatians 5: 13
